## Character Traits Worksheet

### Characterizations

**Directions:** Traits are words that describe characters. Read the examples and pick a trait that describes each character. Then explain your answer.

Here are some character traits:

brave, excited, grumpy, helpful, honest, intelligent, jealous, lazy, loyal, patient, shy

1. Leo looked at his grandma as she tried to use her new phone. He saw the frustration in her eyes. He put his arm around her shoulder. "It's ok, grandma," he said gently. "We can this together." Grandma smiled and relaxed a bit.
